

CHECK OUT EBOOKS FROM THE BHP LIBRARY

- 1) Download / Install the **Follett Brytewave K-12** app from the App Store, Google Play, or Amazon App store. (It's **FREE!**)
- 2) Once you have launched the app, enter the following information:
Location: **South Carolina**
School: **Belton-Honea Path High School**
Username: **first initial + last name + last 5 student ID #s (hpruitt12345)**
(9th graders use last THREE #s)

Password: **SAME as username**
- 3) Check the “**Stay logged in**” box so you won't have to type in the same information every time you open the app.

The image shows the login screen of the Follett app. The background is a blurred photo of a student. The login form is white and contains the following fields and options:

- Search your Follett collection** (text input)
- Location** (dropdown menu showing "South Carolina (SC)")
- School** (text input showing "Belton-Honea Path High School, Honea Path, SC")
- Username** (text input)
- Password** (text input)
- Stay logged in**
This is a trusted device.
- Log In** (button)

Red callout boxes with arrows point to specific parts of the form:

- A box on the left says: **USERNAME & PASSWORD are the SAME!** with arrows pointing to the Username and Password fields.
- A box on the right says: **Choose state & school.** with an arrow pointing to the Location and School fields.
- A box at the bottom left says: **Check this box!** with an arrow pointing to the "Stay logged in" checkbox.

At the bottom of the screen, there is a footer with the following text:
